Avanti offers a modern approach to private and semi-private events. We know guests dine, party, and plan every which way, and Avanti's innovative model allows us to accommodate it all! Swap the stuffy ballroom and outdated hors d'oeuvres for Avanti's signature sweeping views and fresh take on cocktails and cuisine. Paired with an unmatched approach to hospitality, Avanti is the perfect place to celebrate.

No party is complete without the perfect celebratory sip.

Avanti offers everything from hard-to-find local craft beer to top-shelf spirits, batched fan favorites, and zero-proof pours.

Your dedicated cocktail servers will be happy to help you and your guest navigate the menu of draft beers, classic cocktails and affordably priced wines. Feel like exploring? Head to either of our bars (main-level or rooftop) and show your wristband to the bartender for the same great service! At the end of the evening, all drinks from your event tab will be credited towards your space rental fee.

From birthday parties to corporate happy hours, family reunions and wedding receptions – at Avanti, we celebrate it all! We offer accommodations for groups of 10 to 800+.

When you book an event with us, you and your guests will have exclusive access to one of our many semi-private spaces.

“When looking to celebrate a huge milestone for our company, I looked long and hard for the perfect venue - something that would be a great experience for our guests but also would be an “easy button” for me. Our experience with Avanti was just that! The staff was fun and extremely professional. Pre-event the staff was great to answer my questions and had a great, customer-first attitude. We enjoyed creating the perfect custom cocktails with the bar staff and our guests enjoyed drinking them! They also raved about the atmosphere, the tasty food and everything else.” - Jessica N
